Come build a career with Facilities Management Division

The Facilities Management Division (FMD) is committed to developing a diverse and inclusive workplace that empowers all employees to reach their full potential. To increase Aboriginal peoples participation in apprenticeship and trade-related employment at the U of S, FMD has developed a partnership with Gabriel Dumont Institute.

FMD actively encourages Aboriginal peoples to join FMD – one of the largest units on campus. Help us create and maintain a safe and sustainable environment that supports learning, working, and living at the U of S.

Share the commitment of hundreds of skilled trades personnel, conscientious service workers, and dedicated professionals who care for the university’s buildings and grounds.

Participate in the plan for future development that will meet the needs of tomorrow’s students, faculty, and staff.

FMD’s apprenticeship program is helping us plan now to meet our future workforce needs.

- Enjoy a broad range of real-work experiences.
- Attain the skills necessary for certification.
- Learn from certified journeypersons in a supportive environment.
- Get paid while you learn.

Check out the U of S website for apprenticeship opportunities/work terms:
